

Dear Sir/Madam,

Through this letter, I want to share my thoughts about our student Nubar Qasimova, who studied Back End Programming at Alas Academy and has already worked on real projects and gained professional experience. I fully believe in her academic and professional potential and am proud to support her in her future career.

Throughout the course, Nubar exhibited a strong grasp of Java SE, Design Patterns, GIT, MYSQL, Spring Framework, JPA/Hibernate, Restful Web Services, Microservices Architecture, Message Queues quickly mastering the complexities of these programming languages. Her ability to understand and apply theoretical concepts to practical problems was evident in her class participation and the quality of her assignments.

In addition to her technical skills, Nubar possesses strong problem-solving abilities and a keen analytical mind. She approaches challenges with a positive attitude and is always willing to go the extra mile to achieve her goals. Nubar's commitment to excellence was evident in her approach to learning and collaboration during the course. She actively participated in discussions, collaborated effectively with her peers, and sought feedback to continually improve her knowledge and work.

Nubar is also a very interested and focused student in self-development. He actively works to constantly learn new technologies and expand his knowledge. Nubar's constant openness to innovation and willingness to learn make her a successful Back End programmer.

In conclusion, I am confident that Nubar Qasimova will achieve great things in the future. His professional and personal qualities will make her a valuable member of any team. I am always happy to support her and recommend your institution.

Sincerely,

Natiq Mamishov
